

# Register for online account access

It's fast and easy!

## Access the information you need

Your Lincoln Financial retirement plan website offers convenient and secure online access to your retirement account, making it easy to see at any time if you're on track for retirement. Access helpful tools, conduct transactions, learn about retirement planning, and more. In less time than it takes to fill up your gas tank, you can register to access your secure online retirement account information and be on your way to retirement readiness!

## Five things that take more time than online registration:

Filling up your  
gas tank

Picking up your  
daily coffee

Deciding where  
to eat

Checking today's  
Instagram posts

Reading your  
favorite blog

## Follow these steps to get registered

1. Go to [LincolnFinancial.com/Register](https://LincolnFinancial.com/Register) and create a user name and password.
2. Log in using your new information and set up your security profile by selecting your personalized security image and three security questions.
3. Register a telephone number to enroll in mandatory two-factor authentication. We'll send a confirmation code to your phone via your chosen method — either a text message or a phone call.

During your next login, Lincoln will send a five-digit code to your phone via your preferred method. Enter the code into the website to complete your login.

You have the option to select "Remember this device." If you click this button, you won't be prompted for two-factor authentication on that device for 120 days.

The screenshot shows the Lincoln Financial Group registration page. At the top, the Lincoln Financial Group logo is visible. Below it, the word "Registration" is displayed. A progress bar indicates three steps: 1. Identity verification (active), 2. Login information, and 3. Security setup. The main form area contains the following fields and elements: "Date of birth (mm/dd/yyyy)", "SSN (xxx-xx-xxxx)" with an eye icon, "Primary residence ZIP code" with a help icon, a checkbox for "I'm not a robot" next to a CAPTCHA logo, and a "CONTINUE" button. A "Cancel" link is located at the bottom right of the form.

**IMPORTANT:**

Keep your username, password, and security answers in a safe place for easy reference on return visits to your online account.

**A quick pit stop gets you on your way.**

We're all pressed for time, but making a quick pit stop to register may help you hit the accelerator on your road to retirement. Take a step toward a positive future in less time than it takes to get gas.
